THE INTERNATIONAL CERTIFICATION NETWORK

# CERTIFICATE

APCER has issued an IQNet recognized certificate that  
the organization

**Itecons – Instituto de Investigação e Desenvolvimento Tecnológico  
Para a Construção, Energia, Ambiente e Sustentabilidade**

Rua Pedro Hispano - Pólo II da Universidade de Coimbra  
3030-289 COIMBRA - PORTUGAL

has implemented and maintains a

**Quality Management System**

for the following scope:

Consulting services in the areas of construction, energy and environment (through inspections and providing expert opinions, structural safety assessment, project compliance analysis, energy audits and certification, environmental performance assessment and implementation of quality control systems and factory production control), measurement and testing (by performing physical, mechanical, acoustic, hygrothermal, dynamic, hydraulic, geotechnical, chemical, environmental, fire behaviour, electrical safety and equipment performance tests), research and technology development (supporting business innovation through the creation and transfer of knowledge and technology), technical assessment (by providing support in the CE marking of construction products) and training and events (by offering both professional and complementary training, by providing electronic work platforms and by organizing technical and scientific events)

which fulfils the requirements of the following standard

**ISO 9001:2015**

Issued on: 2018-11-23

Expires on: 2020-11-17

This attestation is directly linked to the IQNet Partner's original certificate and shall  
not be used as a stand-alone document

*Registration Number: PT- 2008/CEP.3283*
